## Accidental Death & Dismemberment Insurance

All NTEU members are automatically covered by a \$1,000 Accidental Death & Dismemberment Policy administered by Mutual of Omaha.

There is no premium to ever be paid—the only requirement is you remain an NTEU member in good standing.

For basic policy information, visit the Member Benefits section of [www.nteu.org](http://www.nteu.org), where you can also download a Designation of Beneficiary Form.

In the event of a member's death, their executor/designated beneficiary should contact: **Talita Grayton**, NTEU Executive Communications Assistant at (202) 572-5500 ext. 7023 or [talita.grayton@nteu.org](mailto:talita.grayton@nteu.org).

NTEU will then provide the appropriate forms to the executor/designated beneficiary for completion and return to NTEU. NTEU will forward the paperwork to Mutual of Omaha, which makes the determination on processing the claim for benefits.

## Professional Liability Insurance

NTEU members have the opportunity to purchase professional liability insurance. This insurance is provided by The Insurance Exchange, and offers the following benefits:

- ☆ **Damages** The policy will pay up to \$1 million, which you are obligated to pay as damage in suits based on acts, errors, or omissions committed in the performance of official duties.
- ☆ **Administrative Expense Coverage** The insurance company will provide counsel and pay the cost of defense and monetary penalties arising out of disciplinary proceedings (including investigations) and judicial sanctions (monetary penalties imposed by any adjudicatory body as a result of error, act or omission). Up to \$100,000 annually is available for these expenses. Coverage limits can be increased to \$200,000 for an additional 25 percent premium.
- ☆ **Premiums** Premiums are graduated based on a member's grade. The premiums are significantly less than the other professional liability insurance product that is available to federal employees.

*Coverages are summarized and subject to the terms, conditions and exclusions printed in the policy. Please refer to the policy form for specifics on coverages and limits. NTEU is in no way responsible for any such matters.*

## Colonial Life Personal Insurance Products

While you probably have health insurance, that coverage might not pay for the indirect costs of accidents, sicknesses and hospitalization—the costs no one thinks about until they become a reality. Colonial Life offers supplemental products that can help fill the gaps left by health insurance, with premiums paid through convenient payroll deduction.

Colonial Life products share important features:

- ☆ Coverage is available for you and your family with most products.
- ☆ You receive benefits regardless of any other insurance you may have with other insurance companies.
- ☆ Benefits are paid directly to you, unless you specify otherwise.
- ☆ Premiums are paid through the federal allotment process.
- ☆ With most plans, you can continue coverage with no increase in premium when you retire or change jobs.
- ☆ **Accident Insurance** helps offset the unexpected medical expenses, such as emergency room fees, deductibles and co-payments that can result from a covered accident.
- ☆ **Cancer Insurance** helps protect you against the out-of-pocket medical and indirect, non-medical expenses related to cancer diagnosis and treatment.\*
- ☆ **Critical Illness Insurance** (with optional cancer coverage) complements your major medical coverage by providing a lump-sum benefit you can use to help pay the direct and indirect costs related to a covered critical illness.\*\*
- ☆ **Disability Insurance** replaces a portion of your income to help make ends meet if you become totally disabled due to a covered accident or covered sickness.
- ☆ **Hospital Confinement Indemnity Insurance** provides a lump-sum benefit for a covered hospital confinement and a covered outpatient surgery to help offset the gaps caused by co-payments and deductibles in most major medical plans.
- ☆ **Life Insurance** (Universal and Whole Life) enables you to tailor coverage for your individual needs and helps provide financial security for your family members.

\* There are two ways to purchase cancer coverage—as a critical illness policy with cancer coverage, or as a stand-alone cancer policy that does not cover other critical illnesses. Please review fully with a Colonial Life benefits representative the specific benefits of each when making your decision.

\*\* Policies have exclusions and limitations that may affect benefits payable. Benefits vary by state and may not be available in all states. See your Colonial Life benefits counselor for complete details. Colonial Life products are underwritten by Colonial Life & Accident Insurance Company, for which Colonial Life is the marketing brand.
